

Dear Ishav Manav,

Developer internship at Internshala, where my skills in MERN stack with AI/Web3 can be effectively utilized. As a student at DTU, I have successfully completed projects such as YouTube Feed Detector and Solana Wallet Adapter, showcasing my proficiency in web development. Additionally, my contributions to Bmsamay.com have further honed my ability to create engaging and user-friendly websites. I am truly excited about the opportunity to bring my expertise to Internshala and contribute to innovative projects in a remote setting. Thank you for considering my application.

Best regards,
