

Dear Ishav,

Operations internship at undefined posted on Internshala. As a student at DTU with a strong foundation in the MERN stack coupled with AI and Web3 technologies, I am thrilled about the opportunity to further develop my skills and contribute to innovative projects in a remote setting. I have a track record of successfully completing projects like the YouTube Feed Detoxifier and Solana Wallet Adapter, showcasing my ability to deliver impactful solutions. Moreover, my contributions to Bmsamay.com have honed my digital operations acumen and attention to detail. I am eager to bring my passion for technology and digital operations to your team and learn from industry professionals in a hands-on environment.

Name]

Thank you for considering my application.

Warm regards,

[Your
