Internshala internship at Internshala, as shared on your website. As a student at DTU with a

[Company Address]

degree in MERN stack development combined with AI and Web3 technologies, I am

excited to express my interest in the Backend Development

[City, State, Zip Code] opportunity to contribute my skills to your team. I have

experience working on innovative projects like YouTube Feed Detoxifier and

Solana Wallet Adapter, which have honed my backend development skills.

During my time at DTU, I have also been an active contributor to Bmsamay.com, where I

have refined my ability to work collaboratively in a fast-paced environment. I

am eager to leverage my knowledge and experience to support Internshala's

mission while continuing to expand my skill set in this internship opportunity.

I am confident that my technical expertise and enthusiasm for backend

development make me a strong candidate for this position.

considering my application. I look forward to the possibility of contributing to

Internshala's dynamic team and learning from the best in the industry. Please

find my resume attached for your review. I am excited about the opportunity to

discuss how my background, skills, and enthusiasm can contribute to the success

of Internshala.

Thank you for

Warm regards,

Ishav Manav
