

Dear Ishav Manav,

internship at undefined as advertised on Internshala. As a student at DTU with a strong background in the MERN stack, AI, and Web3 technologies, I am excited about the opportunity to contribute my skills and knowledge to your team. I am particularly proud of my projects, YouTube Feed Detoxifier and Solana Wallet Adapter, which showcase my ability to develop innovative solutions. Additionally, my experience as a contributor to Bmsamay.com has honed my collaboration and communication skills. I am eager to further develop my PHP development skills through this internship and contribute to undefined's success.

Thank you for considering my application.

Warm regards,

[Your Name]
