

Dear Ishav Manav,

Development internship opportunity at Internshala. As a student at DTU with a strong background in MERN stack development complemented by experience in AI and Web3 technologies, I am confident in my ability to contribute effectively to your team. I am particularly proud of my projects, such as the YouTube Feed Detoxifier and Solana Wallet Adapter, which exhibit my passion for problem-solving and innovation. Additionally, my role as a contributor to Bmsamay.com has further honed my skills in web development and collaboration. I am excited about the prospect of gaining hands-on experience in a remote work setting and would welcome the opportunity to bring my enthusiasm and expertise to Internshala. Thank you for considering my application.
