

Dear Ishav Manav,
undefined through Internshala. As a student at DTU with a strong expertise in MERN stack with AI/Web3, backed by projects like YouTube Feed Detoxifier and Solaris Waller Adapter, I am excited to apply for the Website Developer internship at your team. I am also proud to have contributed to Bmsamay.com, showcasing my ability to work on real-world projects. I am confident that my passion for web development and proven track record make me a strong candidate for this opportunity.
Name]

Thank you for considering my application.

Warm regards,

[Your
