

Subject: Application for Node.js Development Internship at Internshala

Ishav Manav,

Development internship opportunity at Internshala. As a student at DTU, I have built a strong foundation in MERN stack development and have experience working with AI and Web3 technologies. I am particularly proud of my projects, including the YouTube Feed Detoxifier and Solana Wallet Adapter, which have honed my skills in full-stack development.

Bmsamay.com, where I have gained experience collaborating with a team and delivering quality results within strict deadlines. I am excited about the prospect of further enhancing my skills and contributing to innovative projects through this internship. I am confident that my technical expertise and passion for development make me a strong candidate for this role.

considering my application. I look forward to the opportunity to discuss how I can contribute to your team.

Thank you for

Warm regards,
