

Dear Ishav Manav,

Development internship at "undefined" as advertised on Internshala. As a student at DTU and someone with hands-on experience in MERN stack development coupled with AI/ML knowledge, I am confident in my abilities to contribute effectively to your team. I am particularly proud of my projects such as the YouTube Feed Detoxifier and Solana Wallet Adapter, which highlight my technical skills and creativity. Additionally, my experience as a contributor to Bmsamay.com has honed my collaborative and problem-solving skills, making me a valuable addition to your team. I am excited about the opportunity to further develop my skills and contribute to your cutting-edge projects. Thank you for considering my application.

Warm regards,

[Your Name]
