

Dear Ishav Manav,

Development internship opportunity at undefined. As a student at DTU with a strong background in the MERN stack, AI, and Web3 technologies, I am excited about the possibility of applying my skills to real-world projects. I have successfully completed projects like YouTube Feed Detoxifier and Solana Wallet Adapter, showcasing my ability to innovate and problem-solve.

My role as a contributor to Bmsamay.com has honed my collaborative skills and attention to detail. I am confident that my technical expertise and passion for development make me a strong candidate for this internship. I am eager to contribute to your team and enhance my skills in a remote work environment.

I would like to have the opportunity to discuss how my background, skills, and enthusiasm align with the needs of your team.

Thank you for considering my application. I look forward to the

Warm regards,
