

Dear Ishav Manav,

Development internship at undefined, as advertised on Internshala. As a student at Delhi Technological University with a strong foundation in the MERN stack and experience in AI/ML development, I am confident in my ability to contribute effectively to your team. I am particularly proud of my projects, including the YouTube Feed Detoxifier and Solana Wallet Adapter, which demonstrate my technical skills and problem-solving abilities. Additionally, my experience as a contributor to Bmsamay.com has honed my collaboration and communication skills in a real-world setting. I am eager to leverage my knowledge and skills in a remote work environment and contribute to the innovative work at undefined.

opportunity to further discuss how my experiences align with the goals of your team.

Thank you for considering my application. I look forward to the

Sincerely,

Ishav Manav
