

Subject: Application for Tech & Digital Operations Internship at Internshala

the Tech & Digital Operations internship at Internshala. As a student at DTU with a focus on MERN stack, AI, and Web3 technologies, I have actively worked on

Dear Ishav Manoj,
Projects such as the YouTube Feed Detoxifier and Solana Wallet Adapter, demonstrating my ability to innovate and solve complex problems. Additionally, my contributions to Bmsamay.com have honed my skills in digital operations and project management.

I am writing to express my strong interest in mindset to the Internshala team to contribute towards innovative projects and further develop my expertise in the tech industry. I am confident that my hands-on experience and passion for technology make me a strong candidate for this opportunity. I look forward to the possibility of discussing how my background, skills, and enthusiasm align with Internshala's goals. for considering my application. I am excited about the opportunity to potentially work with Internshala and contribute to its ongoing success.

Thank you
regards,

Warm
