

Subject: Application for Node.js Development Internship Opportunity

Team,

internship opportunity at undefined, as advertised on Internshala. As a

Motivated student at DTU specializing in MERN stack with AI/Web3 applications, I

am writing to express my strong interest in the Node.js Development

dynamic team. I have showcased my proficiency in web development through

projects such as YouTube Feed Detoxifier and Solana Wallet Adapter, reflecting

my dedication and creativity in this field.

to Bmsamay.com, where I honed my collaborative skills and delivered impactful

solutions. The opportunity to work remotely is ideal for me, allowing me to

leverage my technical expertise while continuing to learn and grow in a

supportive environment. I am confident that my passion for development and my

experience make me a strong candidate for this internship.

considering my application. I am eager to contribute to undefined and learn from

your talented team. I look forward to the possibility of discussing how I can

add value to your projects.

Warm regards,

Ishav Manav
