

Dear [Hiring Manager's Name],

Advisor - Software Engineering internship at MRO as seen on LinkedIn. As a student of Delhi Technological University with a passion for MERN stack development integrated with AI/Web3 technologies, I am excited about the opportunity to contribute to your team. I have honed my skills through projects like YouTube Feed Detoxifier and Solana Wallet Adapter, showcasing my ability to tackle complex challenges. Additionally, my experience as a contributor to Bmsamay.com has equipped me with a strong foundation in software engineering principles. I am eager to bring my technical expertise and innovative mindset to MRO.

possibility of contributing to your dynamic team and learning from your industry-leading professionals.

Thank you for considering my application. I look forward to the

Warm regards,

Ishav Manav
