

Dear Hiring Manager,

Developer internship at undefined listed on Internshala. As a student at Delhi Technological University with a solid foundation in the MERN stack and experience in integrating AI/ML technologies, I am writing to express my strong interest in the Web development role. I am eager to contribute my skills towards innovative projects. I have demonstrated my capabilities through projects such as YouTube Feed Detoxifier and Solana Wallet Adapter, showcasing both technical expertise and creativity in problem-solving. My involvement as a contributor to Bmsamay.com has further honed my web development skills and provided me with valuable real-world experience. I am excited about the opportunity to collaborate with your team remotely and continue to expand my knowledge while making meaningful contributions to undefined. Thank you for considering my application.

Warm regards,

Ishav Manav
