

Dear Ishav Manav,

Development internship at Internshala. As a student at DTU with a passion for MERN stack development integrated with AI and Web3 technologies, I am excited about the opportunity to contribute to innovative projects like the YouTube Feed Detoxifier and Solana Wallet Adapter. With my experience as a contributor to Bmsamay.com, I am confident in my ability to bring a fresh perspective and valuable skills to your team. I am eager to further develop my front end development skills in a remote internship setting and would be thrilled to be a part of Internshala's innovative work environment.

application.

Thank you for considering my

Best regards,
