

Dear Ishav Manav,

Development internship opportunity at undefined. As a student at DTU with a strong foundation in the MERN stack and experience working with AI/Web3

technologies, I am excited about the prospect of contributing to your team. I am

particularly proud of my projects including the YouTube Feed Detoxifier and Solana Wallet Adapter, showcasing my skills in software development.

Additionally, my contribution to Bmsamay.com has allowed me to further hone my abilities in web development and content creation. I am eager to bring my passion for coding and creativity to a dynamic remote internship environment at undefined.

possibility of working together.

Thank you for considering my application. I look forward to the

Warm regards,
