

Subject: Application for Web Development Internship Opportunity

Manager,

internship at undefined, as advertised on Internshala. I am a proactive student

at DTU with a solid foundation in MERN stack development, with a keen interest

in incorporating AI and Web3 technologies into my projects. Notably, I have

developed innovative applications such as the YouTube Feed Detoxifier and Solana Wallet Adapter, showcasing my proficiency in web development.

about the opportunity to contribute my skills and knowledge to your team. As a contributor to Bmsamay.com, I have honed my ability to collaborate effectively

and deliver high-quality results in a fast-paced environment. I am eager to

further enhance my capabilities through practical experience in a remote internship setting.

the possibility of contributing to the dynamic projects at undefined and

expanding my skill set under your guidance.

Thank you for considering my application. I look forward to

Warm regards,

Ishav Manav
