

Subject: Application for Integration Engineering Internship at Internshala

Ishav Manav,

Engineering internship opportunity at Internshala. As a student at DTU

Specializing in MERN stack with a focus on AI and Web3 technologies, I am  
Dear, I am writing to express my strong interest in the Integration  
Excited about the prospect of further developing my skills and knowledge in this

field. I was particularly impressed by your projects, YouTube Feed Detoxifier  
and Solana Wallet Adapter, showcasing your expertise and innovation.

also been a dedicated contributor to Bmsamay.com, where I have honed my  
abilities to collaborate effectively in a team and deliver high-quality results.

I have eager to bring my passion for technology and problem-solving skills to  
Internshala to contribute to your innovative projects.

background and experiences make me a strong candidate for this internship  
opportunity. Thank you for considering my application. I am excited about the

possibility of collaborating with the talented team at Internshala and  
I am confident that my  
contributing to your impactful work.

Warm regards,

[Your Name]

DTU Student
